Provided by the Public Health Nursing Division. For all adults in Richland County.

### Screening Services Include:

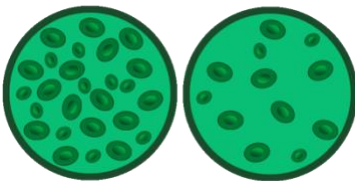

#### **Blood Pressure Reading** Cost: FREE

This simple check screens for hypertension (high blood pressure) and hypotension (low blood pressure).\* High blood pressure is a risk factor for cardiovascular disease.

#### **Blood Sugar Check** Cost: FREE **(3-hour fast preferred)**

This blood test screens for hyperglycemia (high blood sugar) and hypoglycemia (low blood sugar). One cause of high blood sugar is diabetes.\*

#### **Anemia Check** Cost: FREE

With a small fingerstick, two blood tests (hemoglobin and hematocrit) check on red blood cells. Low hemoglobin and/or hematocrit can be a sign of anemia.\*

#### **Cholesterol Check** Cost: \$12.00. Cash or check only. **(Requires 9-12-hour fast)**

This blood test measures good cholesterol (HDL), bad cholesterol (LDL), and triglycerides. High cholesterol levels is a risk factor for cardiovascular disease.

#### **Education and Referrals** Cost: FREE

Receive information from a Public Health Nurse about various health issues and how to connect with community resources to assist you with your unique health and wellness needs.

**QUESTIONS? CALL THE NURSING DIVISION AT 419-774-4540**

\* This screening is not intended to diagnose any medical condition.  
Any abnormal results should be confirmed by a healthcare provider.
