Additional Information:
- Applications accepted through the duration of grant program, or until all funding is expended.

- Applicants who receive 85% or 50% funding must pay the balance of remaining project costs.
- Homeowner does not select the contractor, RPH contracts with local, registered contractors selected through a competitive bidding process.
- Homeowner must allow RPH, contractors and OEPA representatives to enter property and make inspections.
- Sewage treatment system repair could create a dirty environment and damage to your lawn.
